

SAINT KATHERINE CHRONICLE

1988 - 20th Anniversary - 2008

JULY / AUGUST 2008

A Word from your Pastor

When we started 20 years ago, we were known as a “struggling young parish.” The ironic thing is, however, that even today we could still be considered a struggling young parish. Compared to our sister parishes celebrating their 100th anniversary, we’re still young...and the Lord knows, we’re still struggling.

Organization was a challenge back then. It is today. Money was a challenge back then. Today, too. But I think that part of the essence of living the Christian life is realizing that it involves challenges and a continuous struggle. We are challenged to focus on God in a world that constantly seeks to distract us from His goodness. And we struggle to do the right thing daily in the face of so many temptations.

The Christian struggle identifies us and marks us as children of God.

That is why I am so proud see how our financial struggle as a parish this summer has been met head-on by so many dedicated and faithful parishioners. We were headed for serious trouble, and you responded with generosity and a commitment to help Saint Katherine continue its work. That proves that this parish and its commitment to God and the nurturing of families means something to the members of our Saint Katherine community...and that makes me proud.

Next month, in the newsletter, I would like to include your name in what I hope will be an even longer list of families who provided extra help to Saint Katherine this summer. If you haven’t had the chance to respond yet, please send your offering soon and mark the memo section of your check with the words “summer offering.”

Also, don’t forget that our next community activity will be our annual Pre-festival Glendi on August 16th. It will be a great opportunity for fellowship, dining and dancing for the whole family. May God bless you and keep watch over you and your family this summer.

Father Dino

A Letter from the Parish Council President...

THE REPUBLIC

America is, and will always remain, the flame of freedom and liberty as long as each one of us is prepared to preserve and defend what God has given us. As another July 4 approaches, it is appropriate to reflect upon the American Republic and what it means to be an American. The United States was founded upon unshakeable principles of liberty and freedom written by God in the hearts of all men and women, but first institutionalized by the Jews and the Greeks thousands of years ago. Here, in this land, all men and women created by God, no matter of what color or race, are unique, equal under the law and free. Free to worship and live as he or she chooses, without fear of reprisals. Free to keep the fruits of one's labor. Free to do as one chooses. Free to express an opinion or to criticize government. In America government is by, for and of the people and freedom reigns. No person is above the law, not even the President, and the rule of law is one of the many things we hold eternal. However, many of what we consider to be basic freedoms of this Republic arise from the eternal word of God. The examples are many, but a few are worth mentioning:

1. Everyone is to be secure against slander and false accusations. Exodus 20:16; 23: 1-3; Deuteronomy 5:20.
2. Punishment is not to be excessive. Deuteronomy 25: 1-5.
3. Everyone's property is to be secure. Exodus 20:15; 21:33-36; 22: 15; 23: 4-5; Deuteronomy 22:1-4; 25: 13-15.
4. Everyone is to have free access to the Courts and to be afforded a fair trial. Exodus 23:6, 8; Deuteronomy 10:17-18; 16:18-20; 17: 8-13; 19: 15-21.
5. No one is above the law. Deuteronomy 17: 18-20.

Throughout our history, many brave men and women from all walks of life and from all parts of the earth have defended American freedom and liberty. It has been defended on countless battlefields and by countless actions by many whose names we will never know. It has always been defended by those who were willing to stand-up to do what is right no matter what the costs or circumstances. For a few, the defense of freedom and liberty has been at the highest cost---the loss of his or her life.

America has often been referred to as the biblical city on a hill. That special place on Earth guided by the laws given to us by God. It remains a city on a hill because we as Americans love freedom and liberty and have been willing to defend it at virtually any cost. To me, it is as simple as that. Americans have fought and defeated dictatorships, fascism and communism around the globe.

Americans have also fought to change their own society within to abolish slavery, racism and prejudice and to provide each one of us equal opportunity. The struggle for freedom and whether free societies bound by the rule of law will dominate the Earth continues today. As we celebrate this fourth of July, we should remember that our freedom is not free and must be defended by each generation. I ask each of you to consider what you can do to preserve and defend freedom so that God's blessing of liberty can be handed down for generations to come.

Parish Council President

SUNDAYS: THE MINIMAL OBLIGATION

A SIMPLE THING to bear in mind (but a fundamental one for anyone who wants to live as an Orthodox Christian): Sunday is the Lord's Day. It, and the major feasts, are days on which we should go to church. Nowadays many people seem to be under the impression that going to church is an option on Sundays, and nothing more than that. (They do not even think that it is an option on other days of the week.) Sometimes one hears excuses for not coming—"I had so much to do!" and the like, —but there are no excuses from this basic commitment. These are not excuses but admissions of sin. Church attendance on Sundays is not simply one of several options. It is essential for our spiritual well-being. In fact, Sunday church attendance and attendance on the Twelve Great Feasts is so essential for us (not for God, not for the priest, not for the parish community, but for our own spiritual lives), that even if we are away from home, on holiday, or travelling, we should make enquiries, find a church, and try our best to attend a service on these days. Of course, occasions do occur when we are prevented from going to church; but then, rather than just dismissing it, we should make a special effort to read the Scriptures and services at home, still to keep holy the Lord's day. This is particularly important for those who have the responsibility of bringing up children. Also, if through necessity you have missed a Sunday Liturgy, try to attend on some other day in that week. If we consistently neglect this, we shall find that the neglect becomes habitual and will quickly spread into other areas of our spiritual life, resulting in our becoming

one of the saddest of all the creatures on the face of the earth—a nominal Christian, i.e. a spiritually dead Christian. *Source: (www.orthodoxinfo.com)*

Religious Education

The Sunday School program is in need of a director and more teachers for next year. We must have our teachers and director in place this summer in order to begin planning for the 2008-2009 school year. It is truly a blessing to be able to give back to the church by working with the children.

Saint Katherine Greek Folk Dance Program 2008

The St. Katherine Greek Folk Dance Program 2008 is in full swing this season. Dance practices on Friday evenings have attracted many returning and new dancers alike. Dance groups continue to refine steps to routines learned last year and are learning new traditional dances to entertain Festival attendees in September. This year we have doubled the size of the youngest dance group, Ta Pethakia. Their smiling faces are sure to be crowd pleasers once again.

The Glendi Dancers perfect their moves.

Kristiana Perris and Alexa Vasilopoulos, in Ta Pethakia, use rhythm sticks to "hear" the beat.

A big thank you to returning teachers, Sophia Trotter-Goetze, Maha Habiba, Maria Leones, Daphne Constantinou, Elaine Stralen, Paul Leones and Xanthippi Gelasakis. These hard-working folks enjoy teaching the children and young adults of Saint Katherine. At this time, the Dance Program is busy inventorying costumes. So far, we have received most of the costumes loaned to last year's dancers. If you possess a costume from previous years, please be sure to bring it back. For more information on costume return, please contact Sophia Stathos, Costume Coordinator.

The Dance Program will sponsor several coffee hours this summer in support of the group - August 17th, August 31st and September 7th. Antigone Vaccaro and Melissa Simmons are looking for volunteers to help serve or donate food items. For more information on the Saint Katherine Greek Folk Dance Program, please contact Heidi Perris at (916) 616-9333 or agapehp@sbcglobal.net.

Grati ude. Recogni ion. Inspira ion.

Feeling gratitude and not expressing it is like wrapping a present and not giving it.

~William Arthur Ward

Our parish is fortunate for the many gifts it has received – gifts from God and from you. We are thankful for being blessed with many generous parishioners who give of their time, talents, and treasure to make Saint Katherine Church what it is today.

But perhaps we do not express our gratitude to our parishioners as much as we should, or recognize them as publicly as we should? At our last general assembly meeting, the view was shared that we don't sufficiently recognize all the contributions that our stewards make. We agree that we can never say thank you too often or enough.

The Parish Council has therefore decided to follow the lead of our sister parish in Los Angeles, St. Sophia, and provide greater recognition in the form of an annual "Honor Roll of Donors":

What is the Honor Roll? Published recognition in our newsletter at the beginning of each year to more fully recognize our stewards and contributors from the previous year.

Why have an Honor Roll? This method of recognition is standard for charitable organizations, and is an excellent way of saying thank you at the conclusion of the year for the generous gifts received. The Honor Roll shows our commitment to the Christian virtue of thankfulness and gratitude – for without your generosity, we could not nurture the Orthodox faith in our community as we currently do.

What will the Honor Roll include? As listed below, individuals and families will be recognized in the Leadership Circle for their total contribution to all of our programs, including stewardship, donations for special events, and contributions to our Burn the Mortgage program. Stewardship Angels will specifically recognize stewardship contributions of families and individuals. The "angels" are also listed below. There will be a separate listing for donors providing "gifts in kind" like food or supplies.

What if I don't want my name listed in the Honor Roll? You can ask to be listed as anonymous when you submit your pledge card, or when you submit a donation.

Public recognition is certainly not intended to feed the ego of our donors nor to embarrass our parishioners into giving more. We realize that everyone has many obligations and different abilities to give, particularly in these challenging times. All donations – large and small – are meaningful to our parish well-being; therefore, our generous stewards and donors deserve a heartfelt and prominent thank you for their gifts.

As the year continues to unfold, we know we will once again have much to be thankful for –our parishioners have already shown tremendous generosity. Those that give inspire others and are outstanding witnesses to our faith. As Father Dino once said in a sermon, we do not proselytize in Greek Orthodoxy, but we inspire others by the quality of our lives and the excellent example that we set. We thank all in the Saint Katherine community for being an outstanding inspiration. We look forward to a greater show of thanks in the future.

Greek School News

Our Greek School here at Saint Katherine in cooperation with the Greek Schools of Annunciation and Saint Anna is working towards the establishment of common curriculum for the three parishes. Key to this effort is will be a Greek School teacher granted to us by the Ministry of Education and Religious Affairs of Greece. Ms. Ioanna Lekkakou who is currently a primary school teacher at the Greek Orthodox School of the Holy Trinity parish in San Francisco will be moving to the Sacramento area and travel to each parish to teach. We will have her on Sundays.

Ms. Lekkakou's postgraduate studies include a Master's Degree in The History of Theater for Children from the Department of Primary Education in Athens, as well as a Ph.D. in Theatre in Education from the University of Athens.

Depending on demand we will expand the program to include more classes and we look forward to the assistance of professional instructors from our Parish who are proficient in Greek to assist Ms. Lekkakou. These will be paid positions which will be funded from tuition proceeds. Ms. Lekkakou's salary will come from the Greek Government.

Ms. Lekkakou will be joining us in the fall. Please join me in welcoming her to our community and family.

If you have any interest in helping our Greek School in any capacity (including donations) please contact Father Dino or Demos Papadopoulos this summer as we will be planning the new school year. We plan to begin classes in mid-September. Our parish website will be actively used so be sure to check it often for the latest information.
